"LA PINE ROCKS!" CHAMBER CONNECTION

"We are the hub of the business community, promoting commerce and tourism making La Pine a vibrant community to work, live and play!"

EXACT CONSTRUCTION • Owner: Steve Krebs

So, Steve Krebs, when was your business founded? "It was the day after Valentine's Day on February 15th, 2007 that we started the business."

Who are the main players at Exact Construction? "I am the sole proprietor and it is just me, Steve Krebs!"

Why do you work, live and play in La Pine? "I believe this is one of the best places to be and that is 'exact'-ly why I am here!" (Play on Exact Construction-HO HO HO!)

What is the potential for growth for your construction business? "My business will grow as fast as the housing market turns around. We are growing steadily, though."

What is your business's greatest challenge? "I think the biggest challenge I face is to be real competitive."

What is the biggest highlight of your career? "That is a great question and I know, without question, that it is the people that I meet every day. They make it a great job."

What do you do to relax? "I love to float down the Little Deschutes River. I also love to go over to the coast for some time at the ocean. Finally, I really enjoy the BBQ."

Tell us something about yourself that few people know about: Tell us about the Freedom Team: "I have been a member of the Freedom Team for eight years. We go into prisons in the northwest and make other public appearances to work with the inmates and public by entertaining audiences with feats of power and telling our testimonials about how our own lives have changed because of our personal relationships with a higher power. We work hard to change the minds and lives of prisoners by offering them something more than they have."

In terms of volunteering in the community, what is your personal contribution to the community? "Besides my work with the Freedom Team, I help my church, am a new member at the Chamber and I donate my time and materials to help people in need."

What are your plans for the future? "I plan to continue doing what I am doing right now!"

What advice would you give to community leaders? "I hope that you stay open to what the community input is!"

Do you have a mission? "I want to help make La Pine a better place to live!"

Do you have 2-3 people who would give you a testimonial? "You can contact me for how to get in touch with Tom Flaskerud from the Freedom Team; James Plog, local guitarist and activist; Wes Durland and Chris Archer, High Lakes Christian Church."
