

La Pine Chamber of Commerce
Web Page Marketing Offer
“Low-cost High-Tech Marketing”

This offer provides Chamber Members with an opportunity to have a customized web page attached to the La Pine Chamber of Commerce’s increasingly busy website with the Member’s directory listing. These web pages will be professionally built by Little d Technology and will display expanded information about your business to those researching the Chamber website for services or products.

Services included:

- Choice of professionally designed web page template (2 styles available).
- Choice of color scheme.
- Inclusion of your Company logo.
- Inclusion of up to three (3) photos.
- Space for content such as company history, store hours & location, services or products, and email link.
- One full-year contract.*
- One full-year web hosting.

Cost is \$200 and includes set-up and Internet hosting service for one year. Renewal rate is additional year is \$50. Charges for changes made after original approval of web page are negotiated based on work requested.

To take advantage of this offer, please sign and complete the information below and return it to the Chamber. You will need to submit your company logo, up to three (3) high resolution photos, and business information you would like included before work on your project can begin.

Web pages must be in an acceptable format. *Current Chamber membership is required for continued placement of web page on the La Pine Chamber of Commerce website. The Chamber reserves the right to approve/disapprove any advertising in all of its publications. Allow two weeks for processing and development of web page.
